

**Peace UCC Foundation
2016 Annual Report**

The Peace United Church of Christ Foundation’s Endowment Fund was established by the congregation by a trust agreement in January, 1988, and is overseen by trustees elected by the congregation. In 2008 the trust was transformed into a public benefit corporation known as the “Foundation,” and new By-Laws were approved by the Congregation. Trustees are elected to staggered 3 year terms by the congregation. The trustees have the responsibility to monitor investment of the funds and set a spending formula each year, based on the average fair market value of the fund of the preceding 16 quarters. The distributions are to be used for the “operation and support of Peace United Church of Christ and its related activities.”

Contribution Rate Income from the Foundation Funds is used to support the General Fund. For 2016, the trustees set the spending rate at 4.5% of the average fair market value of the Fund over the preceding 16 quarters. This formula resulted in a transfer of \$33,525.22 from the Foundation to the General Fund. This amount provided approximately 10% of the 2016 church income. The trustees affirmed the distribution rate of 4.5% for 2017.

The purposes of using a 16 quarter rolling average are:

- a) to minimize the impact of stock market fluctuations on annual income to the church;
- b) to facilitate gradual growth in income to the church regardless of the amount or frequency of gifts; and
- c) to assist in preserving the corpus of the gifts over time.

Foundation Actions in 2016

The following activities or actions reflect the work product of the Foundation Trustees in 2016.

1. Continue to work with Moneta Group as Investment Advisor to the Foundation
Quarterly meetings with the Moneta Group advisors affirmed the 2013 decision of the Trustees to hire a professional management team to guide their management of the Endowment Fund. The Moneta Group is a Clayton, Missouri based group with over \$14 billion in assets under management. In addition to working with

individual and corporate clients, Moneta also provides services to many endowment organizations like the Peace Foundation. Moneta is able to offer a range of socially responsible investment vehicles.

2. **Sharing the role of the Foundation**
The Trustees continue to discuss the Foundation and its activities with church leaders and members. A brochure describing the Foundation was printed and distributed during 2016.
3. **Growing the Foundation** is a major effort of the trustees. It is not necessary to wait for bequests or wills to be directed to the Foundation. In 2017 the trustees will initiate designated offerings be directed to the Foundation.
4. Accepted the resignation of Peg Sant' Ambrogio as a trustee In June. Peg along with Bob Risk was responsible for the "Growing the Foundation" efforts.
5. Appointed David Ban to fill the vacancy created by the departure of Peg Sant' Ambrogio. The appointment was ratified by the congregation at the July 2016 meeting.

Gifts and Contributions

Sharing Your Good Fortune

The primary reason people make charitable gifts is to benefit the organization or individual who receives them. Yet, there is another benefit as well. It's the peace of mind and joy experienced when you make a gift, with proper planning, that can significantly help others. In some cases charitable gifts can provide valuable tax advantages which can help you retain more of your own personal assets, meaning more financial security for you- and for your loved ones.

Gifts to the Foundation will provide continued support to the ministry of our church through the annual support provided the General Fund. The annual support continues while preserving the book value of the gift. The donor(s) and God will "still be speaking" long after the contribution is made to the church.
