I. Personal Check-In (Joy and Concerns):

Reflections on renewal and rebirth, looking forward to the Good Friday Service since they've been amazing in the past, seeing a child experiencing joy, upcoming birthday, closeness of family, this is a busy but a very powerful time, thrilled with the actions our nation’s youth are taking, see hope through our kids.

II. Approval of Minutes:

February 27, 2018 GB minutes reviewed and approved with edit of date to 3/27/2018. Motion: S. Webster; Second: M. Hattman; Passed

III. Agenda Items:

Financial Report (E. Johnson for H. Wilson): E. Johnson provided information regarding the 212 Building Reserve Fund and the Capitol Fund. There will two separate funds invested equally in the same investment. Quarterly deposits will continue to be made. $80,000 will be kept in the 212 Building Reserve Fund and the balance will be moved to the Capitol Fund. The new reports are much more legible and it was requested this be shared with Paul and the rest of the Finance Team. It is nice for the team leaders to have an idea of where they are with regard to budget regularly.

GB Conversational Meeting (D. Gregg): It was determined that the first of two meetings would take place on 4/17/18 from 6:30-7:30pm in the sanctuary. The second in the fall, date to be determined. D. Gregg will send out a message to the team members presenting in the fall to determine date.
