Invisible Strings of Love

Needed Supplies:

Scissors
clear fishing line
pony beads

As you string your beads, think of each bead as a person in your life who you are connected to by an Invisible String. Use the string of beads to create a necklace or bracelet that you can wear.

“Even though you can’t see it with your eyes, you can feel it with your heart and know that you are always connected to everyone you love.”
Invisible Art

Needed Supplies

- white construction paper
- white crayons
- watercolor paints

On your piece of white paper, draw Invisible Strings using your white crayon and then paint over them with watercolors.
Letters to Loved Ones

Needed Supplies

- shoe box
- paper
- crayons or markers

When you are feeling worried about being separated from someone, decorate a shoe box as a mailbox for that person. Every time you miss this special person or want to share something with them, write it down and put it in the mailbox. The more letters you write, the stronger the Invisible String becomes and you will have a heartwarming gift to give when they’re reunited.
